Application Statement

Students who have little or no prior college experience may be required to submit an essay before an admissions decision can be made. If you meet one or more of the following criteria you may be required to submit an application statement:

- † Less than 24 transferable college credits
- † GPA below 2.0 from any 4-year institution
- † GPA below 2.5 from any 2-year institution

The application statement should be a one- to two-page typed essay in which you describe yourself, including your accomplishments and goals. You may also want to include relevant work history, volunteer activities and a resume. If past grades do not accurately reflect your ability, please describe the circumstances and explain why you are now better prepared to pursue your educational goals. If you have any questions, please call the Adult Degree Program Office at 704-461-7500.
